Marylhurst University has been offering rigorous, relevant learning opportunities that transform lives for 120 years. Our programs are for serious learners of all ages who want to take advantage of all that a liberal arts education has to offer. We help you develop critical thinking, problem-solving and communication skills while incorporating themes such as sustainability, social responsibility and respect for diverse perspectives. Our goal is to help you develop as a well-rounded person with the ability to adapt and evolve in the ever-changing global marketplace.

ACCELERATED ONLINE PROGRAMS THAT FOCUS ON YOU – AND WE MEAN BUSINESS

As our world continues to increase in complexity, the need for those with a very specific area of expertise has grown. Marylhurst is responding. We offer specialized online master’s business programs to meet the needs of our diverse learning community. By integrating liberal arts into these professional studies, we help you to prepare not just for today, but for lifelong personal and professional success.

At Marylhurst, intensive study on one topic in each five-week course block makes it possible for you to master one topic at a time. At this accelerated pace, you can complete a master’s in as few as 18 months. The flexibility to study on your schedule, around work and family responsibilities, makes this accelerated pace manageable and degree completion achievable.
